**Defects and Changes**

# API Update

The FDM 8.8.8.9 update features security updates to the infrastructure API.

# Defects and Changes

**FDM – 3898** On the Notifications screen with role selected as 450 Certifier, Form Type no longer incorrectly auto-selects OGE 278; it now selects OGE 450.

**FDM – 9529** When adding a sub Org Unit on Admin Center | Org Management, the History screen no longer displays the Org ID for the parent Org Unit.

**FDM – 9546** User details now always display correctly on the Member Details flyout on the My Expired Reports | View Expired page.

**FDM – 9560** A 450 Filer can no longer modify their report after eSigning when they introduce updates before navigating away from the report (before this was corrected, this caused a signature error in the report.)

**FDM – 9567** Clicking View or Review Status buttons no longer cause an application error when launched from My Reviews | Org Unit View Mode.

**FDM – 9568** Clicking the Filer link on My Expired Reports | View Expired Reports screen no longer throws an application error.

**FDM – 9569** Filer clicking Continue on Pre-populate screen for a New Entrant no longer displays the Gifts tab when user is on Checkpoint, Contact Info and address screens.

**FDM – 9618** A loading error caused by a 450 Certifier EC or Assistant clicking View on the Org Unit Filers screen has been fixed.

**FDM – 9660** The 278 Filers box on Admin Center | Org Management | Org Unit Filers has been removed; the 278 Filers box on Admin Center | Filers has also been removed.

OGE 278 reviewers are now able to open the reports from Admin Center | Org Management | Filers using the search function.

**FDM – 9667** Supervisor, POC, 450 Filer and Assistant can no longer edit or delete an extension.

**FDM – 9668** Email subject lines now correctly display when a 450 Certifier moves a report to Request Filer Amendment or Request Additional Information.

**FDM – 10008** 450 Certifier can no longer Request Additional Information or Request for Amendment on a Complete report.
